### **CLASS 11 Open BITCH**

This was a huge class of incredibly high quality, where it was very difficult to decide on placements. In fact, there were at least six firsts. Since it was not possible to do that I had to let tiny details and impressions in moments to decide. Many times it was just the enthusiasm an exhibit was showing on the day that decided on the placement. Once again, congratulations to all exhibitors in this class, and thank you so much for showing your wonderful girls to me! It was an unforgettable experience.

1. ROBGAI SIERRA SUNRISE

Lovely, feminine, elegant bitch, correct angulations, a bit more laid back shoulder, and a bit longer reach would make her gait perfect, nice head and expression, well set and carried ears and tail. A real pleasure to look at, the name fits her well.

2. KOLLYLOCK GOING PLACES

Blue merle bitch, excellent colour, very nice type, correct angulations, would like a bit longer neck, lovely head and expression.

5. BLACK GARY LA FEMME FATALE

6. CATHKIN RAINYNITIN JORJA

**CLASS 12 Veteran Bitch**

3. GR CH CHERRYLEA VISION IN BLACK
