BABY PUPPY DOG

1st Kazjs Born To Boogie: J & C Mulcahy

5 month old Sable Male with a lovely head and head planes. A little shy on the day but I believe that this is his first show. I did like him and on the move. A nice little dog.

2nd Swinbrad Walkin on Water: V & D Morris

5 month old Blue Merle also with a lovely head. He moved a little short in front today on the move but I like him very much. Pushed the first place getter and on another day would have taken the class.

3rd Derloch Take A Moment: Derloch Kennels

3 month old Sable and White with a nice head. He has a lovely shoulder and chest on him at this age and he also moved well. I would like to see him in 12 months time. I think he's lovely.

MINOR PUPPY DOG

1st Vedamea Alik Set N Gold: B & L Ryan

A lovely sable dog I think about 7 months old. I would like a little better shoulder angle for more reach but he is a balanced dog. Lovely head, eye and muzzle. Beautiful ears.

2nd Kollylock Charged Wif Dynamite: N Dewley & L Golding

Lovely tricolour boy who used his ears beautifully but only when he wanted to. I did like his shoulder angulation. Good on the move but he moves a little close behind for me

3rd Algetislekvi Samurai In Blue: L Andronikashvili

Blue Merle boy, a little high off the ground and a little nervy on the day and did not make the best of himself.

PUPPY DOG

1st Baqilodge Zen Times Ten: B & L Ryan

The only puppy dog is a Sable boy approx 8 months. Lovely head planes, lovely muzzle nice eye and uses his ears well. Would like a better angle in the shoulder and upper arm but in saying that, is a balanced dog. A nice young dog.

JUNIOR DOG

1st Rixown Laird Oth Manor: H Rixon

Tricolour male. I loved his body shape and shoulder, upper arm and chest. Could do with a better head and smaller eye but had beautiful ears and nice muzzle. Nice mover out and back good on the round.

2nd Cathkin Seriously Spunky: G Jones

Tricolour male. Lovely ear carriage with a better head than the first dog but not as good I felt in shoulder or on the move away.

3rd Cathkin Close Encounter: G Jones

Another Tricolour boy. Little high in tail and a bit more typey to number one. Did not move as well.

INTERMEDIATE DOG

1st Kollylock Watta Shine N Star: G & P Tonkin

Blue Merle male. Nice dog but he does nothing for himself in the ring. I loved his front assembly and top line. I do like his head, ears and eye. He did not move around the ring well at all but his construction suggests otherwise. Unfortunately he is not in good condition hence this showed in his dry coat and unwillingness to move correctly. He certainly needs to carry more weight.

RUNNER-UP BEST EXHIBIT IN SHOW

Cathkin Seriously Sexy: G Jones & S Power

She is just exquisite. I love her dearly. She has lovely angulations and a beautiful classic collie shape that goes with it and very sound on the move. She stands and gives her all. In wonderful coat and condition.

Two beautiful collies with lovely angles that give the true Classic Collie Shape which makes this breed stand out from the rest. Both were very sound in movement placing their legs where they should and showed that effortless Period of Suspension found in true trotting animals.

I know I have placed dogs of different types in some classes. I do firstly look for construction and soundness then the rest. I also look at all of the collies and try to appreciate what each and every one of them has to offer, no matter the type each of us prefer, for the continuation of this wonderful breed.

I have had the pleasure today of judging Gods gift to the dog world " The Collie Rough & Smooth " and I thank the Collie Club of NSW (Inc) for this invitation. I thank the exhibitors for their entries, the way my decisions were accepted and the chance to see their dogs first hand.

Yours sincerely
Wendy Fancote.
