

To the Committee and Exhibitors, thank you for inviting me to judge your show, I would like to thank everyone for looking after me so well. My hotel accommodation was excellent and the show was run to perfection, weather and exhibitors were most enjoyable and made my day a memorable one.

I must apologise for the delay in contacting you re your show results. I spent some time in Aust. after judging at your show and on my return to N.Z. I endeavoured to write a critique with the aid of the tape recording you kindly loaned me however the tape was quite inaudible, I do have a friend who has experience with tapes who offered to look at it for me, he did check it out but was unable to help with it. Without the aid of the tape I cannot write an individual critique on the class placings.

General comments: Rough Coats – The quality of exhibits throughout the classes was of a high standard, it was very pleasing to see uniformity of height throughout the day, tails of correct length, excellent bites, small ears well placed and good expressions giving the feeling that R.C. breeders are serious regarding the breed.

Smooth Coats, a small entry but correct type, the smooth baby puppies were very interesting and have potential, I was impressed with the quality of coat.
